User Guide

Onboarding to the CARM Client Portal

Revision date: December 13, 2022

Purpose of this guide

This guide will explain the process for setting up individual and business accounts in the CARM Client Portal. This includes the detailed steps to be followed for accessing the CARM Client Portal either through a GCKey or Sign-In Partner, registering for multi-factor authentication and setting up user profile.

Important note:

It is important that users log in to the CARM Client Portal on a regular basis. For security purposes, user accounts created in the CARM Client Portal will be deactivated after 180 days of inactivity.

1. Onboarding to the CARM Client Portal

1.1 Overview

The CARM Client Portal will serve as the primary hub for accounting and revenue management with the CBSA. Release 1 includes basic functionality in the portal that will allow users to easily set up their individual and businesses accounts, and begin to familiarize themselves with the portal in advance of the full implementation of CARM at Release 2.

To onboard to the CARM Client Portal, users will complete the following processes:

1.2 Accessing the CARM Client Portal

To access the CARM Client Portal, individuals must first open the CBSA webpage, the link to which can be found below:

[Click here to access the CARM Client Portal](#)

Upon launching the CARM Client Portal, you will see the CARM Client Portal home page. This page has many resources available to you that do not require logging into your portal account.

Important note:

Existing importers and customs brokers can onboard to the CARM Client Portal by following the steps in this user guide. Trade consultants may do so by contacting the CBSA at 1-800-461-9999.

The screenshot shows the CARM Client Portal home page. At the top, there is a header with the Government of Canada logo and a search bar. Below the header is a navigation menu. The main content area is titled "CARM Client Portal" and includes a sub-header: "View public information related to the CARM Client Portal; Login or register for a portal account." The page is organized into two columns. The left column is titled "Services and information" and contains links to "Log in to the CARM Client Portal", "Onboarding documentation", "List of Licensed customs brokers", "Advance and national rulings", "Frequently asked questions (FAQs)", and "Bulletins". The right column is titled "Other resources" and contains links to "Log in to the eManifest Portal", "Log in to the Trusted Trader Portal", and "Get started with CARM".

In order to create and/or access your portal account, go to the **Log in to the CARM Client Portal** link under **Services and Information**.

The screenshot shows the CARM Client Portal website. At the top left is the Government of Canada logo. At the top right is a search bar and a language selector for 'Français'. Below the header is a 'MENU' dropdown and a 'Home' link. The main heading is 'CARM Client Portal' with a sub-heading: 'View public information related to the CARM Client Portal; Login or register for a portal account.' The page is divided into two main sections: 'Services and information' and 'Other resources'. Under 'Services and information', there are several links: 'Log in to the CARM Client Portal' (highlighted with a callout), 'Onboarding documentation', 'List of Licensed customs brokers', 'CARM API Catalogue (Production & R2)', 'Advance and national rulings', and 'Frequently asked questions (FAQs)'. Under 'Other resources', there are three links: 'Log in to the eManifest Portal', 'Log in to the Trusted Trader Portal', and 'Get started with CARM'. A callout box points to the 'Log in to the CARM Client Portal' link with the text 'Click to log in to the CARM Client Portal'. Another callout box points to the 'Français' language selector with the text 'Click to change the portal language if required'.

Note that in order to access all available features of the CARM Client Portal, individuals and businesses must first go through the initial setup process. Once you have selected the **Log in to the CARM Client Portal** link, you will be taken to the CARM Client Portal access page where you will be prompted to log in using one of the following options:

- Continue to Sign-In Partner
- Continue to GCKey

Steps for logging in using both methods are detailed on the following pages.

Curious to learn more about the CARM Client Portal Login process? Reference the following walkthrough video:

- [How to Create Login Credentials in the CARM Client Portal](#)

The screenshot shows the top of a web page for the Government of Canada. It includes the Canadian flag, the text 'Government of Canada' and 'Gouvernement du Canada', and a search bar with 'Search Canada.ca' and a magnifying glass icon. Below the header, there is a breadcrumb trail: 'Home > CARM Client Portal'. The main heading is 'Access the CARM Client Portal'. Underneath, there are two options for login. 'Option 1' features a dark button labeled 'Continue to Sign-in Partner' followed by a bulleted list of instructions: using existing sign-in info, handling joint accounts, information sharing with CBSA, and leaving the site to use a partner. Below this is a button with a right-pointing arrow and the text 'View list of Sign-In Partners'. 'Option 2' features a dark button labeled 'Continue to GCKey' followed by a bulleted list: signing in with GCKey ID and password, registering for one if not present, and noting that GCKey IDs from other federal sites can be used on CBSA.

1.3 Logging in with a Sign-In Partner

The **Sign-In Partner** option allows users to log in through the web portal of their financial service provider. Sign-In Partners are financial institutions and banks that have partnered with SecureKey Technologies to enable their customers to use their online credentials to log in to other secure sites.

All individuals and businesses who use this option must have a pre-existing account with the selected partner.

After selecting your Sign-In Partner from the list of available institutions, you will be directed to the Partner's sign-in page to log in using your credentials.

The full list of available Sign-In Partners can be found by clicking the following link: [List of Sign-In Partners](#)

1.4 Logging in using an existing GCKey

A GCKey is a unique credential that protects your communications with online Government programs and services.

On this page, you will have the option to sign in using an existing GCKey, or you may create a new one.

The screenshot shows the GCKey sign-in page. At the top, there is the Government of Canada logo and the text "Government of Canada" and "Gouvernement du Canada". Below this is a navigation bar with "Definitions", "Frequently Asked Questions (FAQ)", and "Help". The main heading is "Welcome to GCKey". The sign-in section includes fields for "Username: (required)" and "Password: (required)", each with a "Forgot your [username/password]?" link. There are "Sign In" and "Clear All" buttons. To the right, the "Simple Secure Access" section describes the service and includes a "Sign Up" button. A note at the bottom right states: "Your GCKey can be used to access multiple Government of Canada online [Enabled Services](#)."

Important note:

While you may use existing GCKey credentials from certain other Government of Canada portals, note that some exceptions (such as MyCRA) may apply. If this is the case, you will need to create a unique GCKey to access the CARM Client Portal.

1.5 Creating a new GCKey

To create a new GCKey, follow the steps below:

1. Click on the **Sign Up** button.

Terms and Conditions of Use

In return for the Government of Canada providing you with a GCKey, you agree to abide by the following Terms and Conditions of Use:

- You understand and accept that you are at all times responsible for your GCKey Username, Password and Recovery Questions, Answers and Hints. If you suspect that others have obtained them, you are responsible for revoking your GCKey and obtaining a new one with a new Username and Password.
- You understand and accept that the Government of Canada can revoke your GCKey for security or administrative reasons.
- You understand and accept that the Government of Canada disclaims all liability (except in cases of gross negligence or willful misconduct) in relation to the use of, delivery of or reliance upon the GCKey service. More details can be found in our [Disclaimers](#).

By selecting the **I accept** button, you are accepting the GCKey Terms and Conditions as stated above. You can choose to not sign up for a GCKey by selecting **I decline** to end this process.

3. Create your username as per the specifications provided in the **Username Checklist** and click the **Continue** button.

The screenshot shows the 'Create Your Username' step in a registration process. At the top, there is a navigation bar with tabs for 'Terms and Conditions', 'Username', 'Password', 'Questions and Answers', and 'Email'. The 'Username' tab is active. Below the navigation bar, the title 'Create Your Username' is displayed. A message states: 'Your username must contain at least eight characters and be unique to you. When creating your Username, we recommend that you:'. A list of recommendations follows: 'make your Username easy for you to remember and hard for others to guess;', 'avoid using personal information such as your name, Social Insurance Number (SIN), mailing address or email address;', and 'always keep your Username secure and do not share it with anyone.'. A text input field for the username is highlighted with a yellow border. Below the field, a message says: 'Please select **Continue** to proceed or click **Cancel** to end the Sign Up process.' There are three buttons: 'Continue' (dark blue), 'Clear All' (light grey), and 'Cancel' (light grey). To the right, there are two panels: 'Privacy' with a message about keeping the username secure and a link to the 'Privacy Notice', and 'Username Checklist' with a list of requirements: 'Minimum 8 characters', 'May contain: capital letters (A - Z); lower-case letters (a - z); French characters (ùúüÿàâæçèéëíîóœ); digits (0 - 9); and special characters: \$ % ^ ? : { } ~ ' ? / | & * _ - . 4. Create your password as per the specifications provided in the **Password Checklist** and click the **Continue** button.

The screenshot shows the 'Create Your Password' step in a registration process. At the top, there is a navigation bar with tabs for 'Terms and Conditions', 'Username', 'Password', 'Questions and Answers', and 'Email'. The 'Password' tab is active. Below the navigation bar, the title 'Create Your Password' is displayed. A message states: 'Your Password must be at least 12 characters and must not contain your username.' A text input field for the password is highlighted with a yellow border. Below the field, a green progress bar indicates 'Strength: Strong'. A second text input field for confirming the password is also highlighted with a yellow border. Below the fields, a message says: 'Please select **Continue** to proceed or click **Cancel** to end the Sign Up process.' There are three buttons: 'Continue' (dark blue), 'Clear All' (light grey), and 'Cancel' (light grey). To the right, there are two panels: 'Privacy' with a message about keeping the password secure and a link to the 'Privacy Notice', and 'Password Checklist' with a list of requirements: 'Minimum 12 characters', 'Does not contain your Username', and 'Passwords match'. At the bottom of the page, there is a footer with links for 'About', 'Transparency', 'News', and 'Contact Us'. The date 'Date modified: 2020-09-01' is also visible.

Important note:

Throughout each step of this process, some indications will be provided at the right side of the screen (e.g., username and password checklists, recovery questions and answers guidance, etc.). It is important you pay attention to these.

1.6 Registering for Multi-Factor Authentication

Once you have signed in using either a Sign-In Partner or GCKey, you will be taken to the multi-factor authentication registration page.

To use the CARM Client Portal, you will automatically be prompted to register for multi-factor authentication if you have not previously completed the registration process.

1. On the multi-factor authentication registration page, enter your email address in the fields provided:

MFA Registration

Secure Your Account

CBSA is committed to protecting your personal information. To improve privacy and security, you have to register for multi-factor authentication. This mandatory new step is an enhanced security measure for your Government of Canada (GC) online account.

To register, you have to use a valid email address. A security code will be sent to the email address you provided.

Email Address:

Re-type Email Address:

Check this box to indicate that you have read and agree to the following:
▶ [Multi-Factor Authentication Privacy and Consent Statement](#)

Important note:

Multi-factor authentication for the CARM Client Portal only uses email at this time. Multi-factor authentication passcodes cannot be sent by text message.

2. Check the box to indicate that you have read and that you agree to the multi-factor authentication privacy and consent statement. It is recommended that you click the link below it to read it first. Then, click **Continue**.

Check this box to indicate that you have read and agree to the following:

▼ [Multi-Factor Authentication Privacy and Consent Statement](#)

CBSA is committed to protecting your personal information. To improve privacy and security, you have to register for a multi-factor authentication.

This mandatory new step is an enhanced security measure against an unauthorized access to your business account associated with the commercial portal(s).

You have to provide a valid email address, which will be shared with a third party (2Keys), so they can send you an email with a security code for the second factor authentication.

If you:

- have read the above statement completely,
- understand that Canada Border Services Agency will protect your personal information in accordance with the Privacy Act,
- understand that your personal email address will only be used for sending you the security code by 2Keys for in-transit data transmission,
- your email address will not be permanently stored by 2Keys once the security code is sent, rather your email address will be deleted permanently,
- allow Canada Border Services Agency to disclose your personal email information to 2Keys, and
- you would like to proceed with the MFA registration,

please check the box above.

Note: As a consequence of withholding the consent, you will not be able to access the commercial portal(s).

3. Check your email for a one-time passcode. The passcode is a **six-digit number**.

Verify Your Login

Your one-time passcode to log in to your Government of Canada service is:

209449

This email was sent to tcp@tcp.tcp

You received this email because you signed up for a Government of Canada login account.

For more information or if you received this email in error please visit:
<https://www.cbsa-asfc.gc.ca/eservices/multifactor-help-aide-multifacteur-eng.html>

4. Enter this passcode in the **Security Code** field. Then, click the **Submit** button.

Important note:

If you receive an email with a passcode and you did not try to log into the CARM Client Portal, it might mean that your GCKey or Sign-In Partner password has been compromised. You should investigate and if necessary, change your password.

Important note:

The multi-factor authentication passcode changes each time you try to log in to the CARM Client Portal, and each time you press the **Resend** button. Always use the most recent multi-factor authentication passcode that was sent to you.

Important note:

Some e-mail domains, especially company domain names, are taking longer to receive the email with the one-time passcode. This delay is causing the passcode to be received outside of the validity period which renders it invalid.

If you are receiving your passcode outside of the range of validity and then an expired passcode reject thereafter, please have your company IT department review this information and have the following email address be recognized as trusted if possible:

CBSA-ASFC@auth.canada.ca

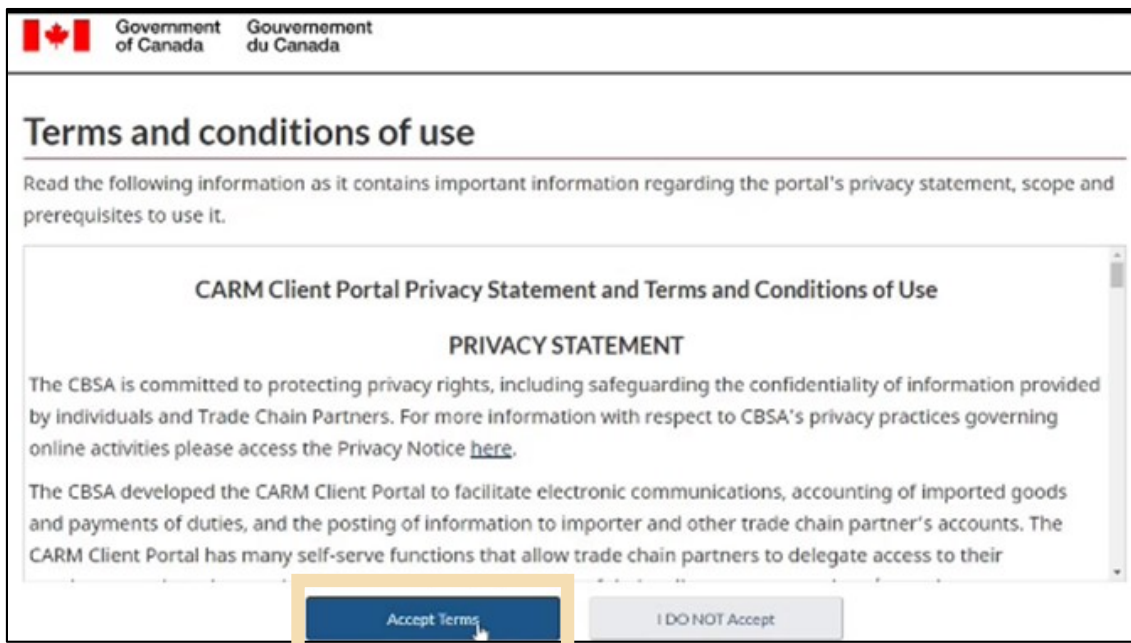

Otherwise, update the email address that you have registered with to a different email address (for example an email address not linked to the company).

5. The registration screen will inform you of successful registration for multi-factor authentication.

If you click **Change MFA email**, you will need to repeat this process. If you click **Continue to CARM Client Portal**, you will be taken to the **Terms and conditions of use** page.

6. Click the **Accept Terms** button to continue.

Important note:

If you encounter challenges using the multi-factor authentication, review the [Multi-factor Authentication Help for Secure Online Services](#) page for more information.

If, after reviewing the information, you are still having issues, contact [CARM Client Support Helpdesk](#) using the link on the CARM webpage shown below.

Benefits

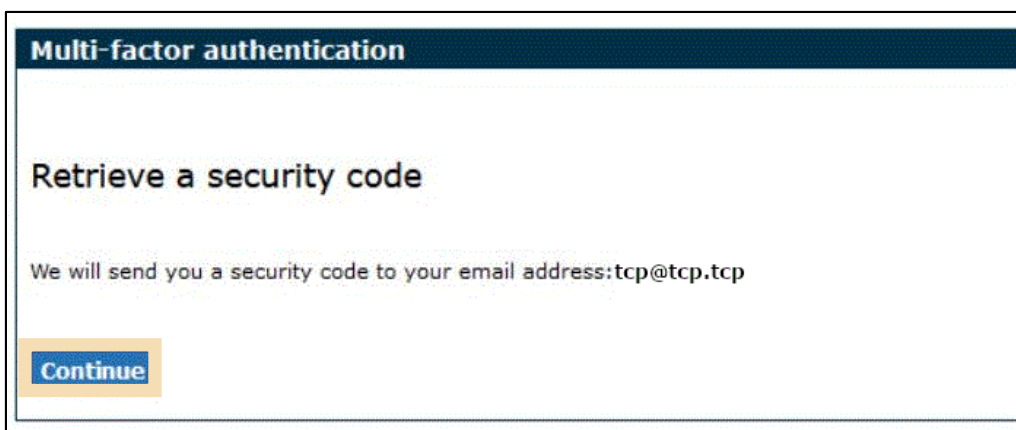

Once fully implemented, CARM will:

- simplify the overall importing process
- provide a modern interface for importing into Canada
- give importers self-service access to their information
- reduce the cost of importing into Canada

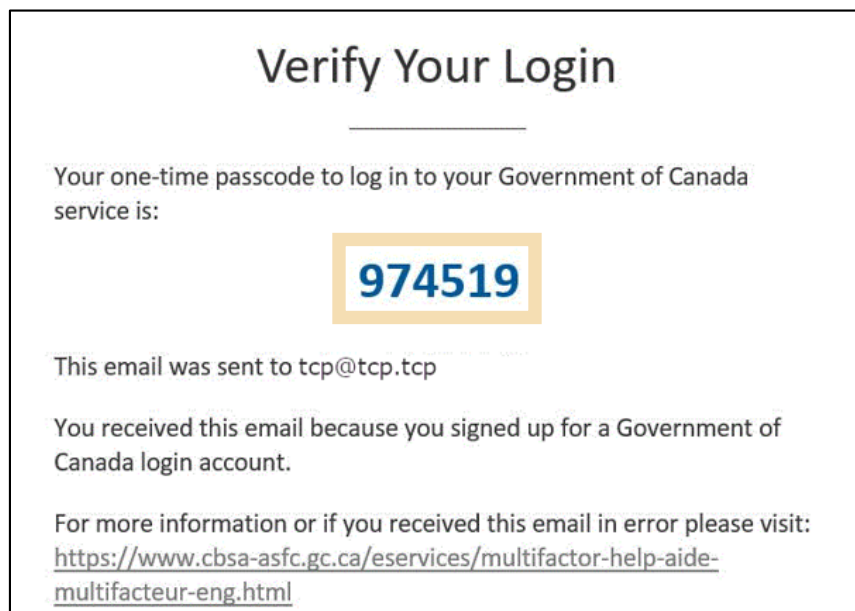

1.7 Logging in with Multi-Factor Authentication

Once multi-factor authentication has been set up, when you log in to the CARM Client Portal (using either the Sign-In Partner or GCKey option), you will be taken to the Multi-factor authentication page. It will inform you that a security code has been sent to your email address.

1. On the Multi-factor authentication page, click the **Continue** button to send the security code to your email address.

2. Check your email for the one-time passcode, which is a **six-digit number**.

3. Enter the passcode received via email in the **Security Code** field. Click **Submit** to continue.

The screenshot shows a web form titled "Multi-factor authentication" with a dark blue header. Below the header, the text "Enter One-Time Passcode" is displayed. A message states: "We have sent you a security code to your email address:tcp@tcp.tcp". A text input field labeled "Security Code" contains the value "974519". Below the input field is a blue "Submit" button. At the bottom of the form, there is a link: "If you did not receive the one-time passcode, you may request it again. The CBSA will resend the passcode to the email address you previously provided." and a "Resend" button.

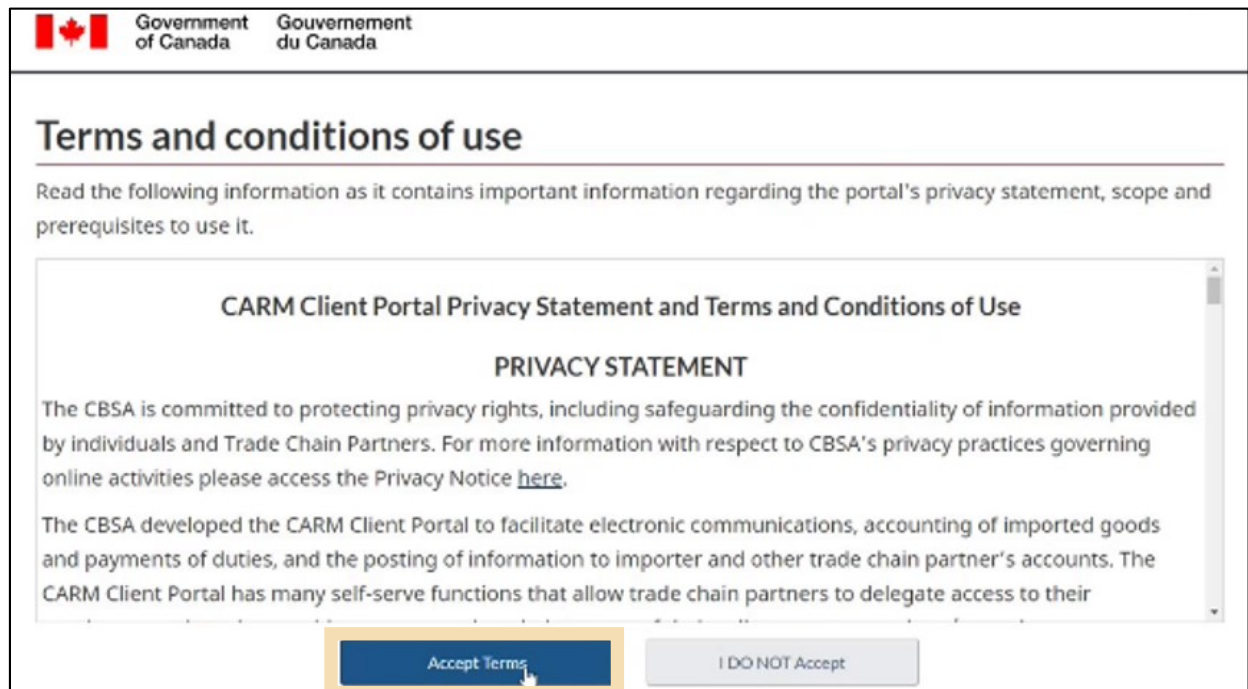

Important note:

The multi-factor authentication passcode changes each time you try to log in to the CARM Client Portal, and each time you press the Resend button. Always use the most recent multi-factor authentication passcode that was sent to you.

4. If you entered the correct passcode, the message Multi-factor authentication successful will be displayed.

The screenshot shows the same "Multi-factor authentication" page, but now with a green success message: "Multi-factor authentication successful." Below the message are two blue buttons: "Change MFA email" and "Continue to CARM Client Portal".

If you click **Continue to the CARM Client Portal**, you will first be taken to a page that shows the Terms and conditions of use page. Click **Accept terms** to continue.

The screenshot shows the top of a web page with the Government of Canada logo and name in both English and French. Below this is a heading "Terms and conditions of use" followed by a paragraph of introductory text. A large white box contains the title "CARM Client Portal Privacy Statement and Terms and Conditions of Use" and a sub-heading "PRIVACY STATEMENT". The text in the box describes the CBSA's commitment to privacy and mentions a link to the Privacy Notice. At the bottom of the page, there are two buttons: "Accept Terms" (highlighted with a yellow box) and "I DO NOT Accept".

1.9 Linking your individual account to a business account

After your profile creation, you will be greeted with the **First time setup** page, from which two options will be available: **Request access to my employer**, or **Register my business**.

The screenshot shows the 'First time setup' page with two main options highlighted in yellow boxes:

- Request access to my employer**: This option asks if the user is an employee who needs to be associated with their employer's business. It requires the user to know the employer's 9-digit business number (BN9). Below this, there is a 'Find a business' section with a search bar for the Business number (BN9) and a 'Search' button.
- Register my business**: This option asks if the user is a business account manager who wants to use the commercial client portal. It requires the user to have access to privileged information. A 'Register my business' button is located at the bottom of this section.

1. Request access to an employer

This option is intended for employees who wish to request access to a business account that is already registered on the portal. Employees will be asked to enter the **Business Number (or BN9)**, and to provide a **reason for requesting access**.

The screenshot shows the 'First time setup' page with the 'Request access to my employer' option selected and highlighted in yellow boxes:

- Request access to my employer**: This option asks if the user is an employee who needs to be associated with their employer's business. It requires the user to know the employer's 9-digit business number (BN9). Below this, there is a 'Find a business' section with a search bar containing the Business number (BN9) '100001254' and a 'Search' button.
- Found match**: This section displays the search results for the Business number (BN9) '100001254', showing the Business operating/trade name 'ImporterCompany1755'.
- Specify why you need access**: This section asks the user to provide comments (maximum 256 characters) for the request. A text area is provided for this purpose, and a 'Request Access' button is located at the bottom of this section.

2. Register your business

This option is intended for authorized users with access to privileged information and will allow the user to set up and complete registration for a business on the portal.

It is important to note that the user who completes the registration of the business on the CARM Client Portal will automatically become the associated Business Account Manager (BAM), or the person with ultimate account authority. A business account can only be registered once, but its Business Account Manager can assign other users a BAM role (or other user roles) through the employee management page.

To learn more about the role of the Business Account Manager as well as the Delegation of Authority process, review the following guide:

- [User guide – Delegation of Authority](#)

Upon clicking **Register my business**, you will be greeted with the following screen that details the business linking requirements:

The screenshot shows the CARM Client Portal interface. At the top, there is a header with the Government of Canada logo and the text 'Government of Canada' and 'Gouvernement du Canada'. To the right of the header is a link for 'Français'. Below the header is a dark blue bar with the text 'CARM Client Portal'. Underneath this bar is a light blue navigation bar with 'MENU' on the left and 'Personal profile | Logout' on the right. The main content area has a breadcrumb trail: 'Home > Setup my Portal'. The central focus is a white box with a yellow border titled 'Business linking requirements'. The text inside explains that users need a Business Number (BN) and an import-export program account (RM). It defines a Business Number as a 9-digit number assigned by the CRA and a 15-digit number (BN followed by a 6-digit alphanumeric RM) assigned by the CRA. An example of a Business Number RM account is shown: '1 2 3 4 5 6 7 8 9 | R M | 0 0 0 2'. Below the example, it is noted that 'R M' is the 'Program identifier'. The page concludes with instructions on how to register for both a business number and an import/export program account, and a 'Next' button to continue linking the business. Navigation buttons for 'Previous' and 'Next' are located at the bottom of the page.

You will then be required to enter the **business number** and **program reference number**, as shown below:

2. Basic navigation and features of the CARM Client Portal

2.1 Login navigation and features

For GCKey users, a successful log in page is displayed prior to reaching the CARM Client Portal home page. As a GCKey user you will be shown a standard welcome message that details your last sign in date, as well as a few links through which you can change your password, change your recovery questions, or revoke your GCKey.

Once you click the **Continue** button on the GCKey welcome page, you will be directed to the **Terms and Conditions of Use** screen of the CARM Client Portal.

These terms and conditions of use will be displayed every time you log in to the CARM Client Portal. It is important that you read and understand these fully prior to proceeding.

- Selecting the **Accept Terms** button will take you to the CARM Client Portal home page.
- Selecting the **I DO NOT Accept** button will cancel the process.

2.2 Functions available on the home page

The home page of the CARM Client Portal displays several quick access links that will allow you to easily navigate to various functionalities and features found on other pages in the CARM Client Portal.

The screenshot shows the CARM Client Portal interface. At the top, there is a header with the Government of Canada logo and the text "Government of Canada" and "Gouvernement du Canada". Below this is a dark blue navigation bar with the "CARM Client Portal" title on the left and user information "Test Importer Name (RM0001)" and "ImporterCompany3084 (549132583)" on the right. A "MENU" dropdown is highlighted on the left. To the right of the menu are links for "Upload a document", "Notifications", and "Logout". Below the navigation bar, there are six quick access cards: "Setup my portal", "Accounts and profiles", "Financial information", "Payments", "Declarations", and "Rulings". At the bottom, there is a "Recent Transactions" table and a "Most requested" list.

Transaction date	Description	Amount	Status
2021-03-09	Card Lot	\$ -1,000.99	Credit open
2021-03-09	Card Lot	\$ -3,000.99	Credit open
2021-03-09	Card Lot	\$ -2,000.99	Credit open

Alternatively, each of these pages can also be accessed by selecting them from the drop-down **MENU** located on the top left of the home page.

Additional information about these functions is outlined in further detail on the following pages.

1. Setup my portal

This link will direct you to the **Setup my portal** landing page. From this page, you will be able access the following options:

- **Manage employees** (Manage the access of your employees to select clients/accounts, and review pending access requests)
- **Manage business relationships** (Manage business relationships with clients and review access requests)
- **Manage client groups** (Create and manage groups of clients, as well as employee access to select groups)

The screenshot shows the CARM Client Portal interface. At the top, there is a header with the Government of Canada logo and the text "Government of Canada" and "Gouvernement du Canada". Below this is a dark blue navigation bar with "CARM Client Portal" on the left and user information "Test Importer Name (RM0001) ImporterCompany3084 (549132583)" on the right. A light blue bar below the navigation bar contains a "MENU" dropdown on the left and links for "Upload a document", "Notifications", and "Logout" on the right. The main content area has a "Home" link, followed by the heading "Setup my portal" and the sub-heading "Manage the access of this portal account." Below this is the heading "Services and information" and three columns of links: "Manage my employees" (Manage the access of your employees and pending requests), "Manage my business relationships" (Manage the business relationships and access requests), and "Manage my client groups" (Create and manage the group of clients).

- **Business profile** (Contains relevant business information including address(es) and ownership)
- **List of program accounts** (Displays all program accounts associated with a business)
- **Program account profile** (Contains relevant program information, including RM number, program name, and addresses)

The screenshot shows the CARM Client Portal interface. At the top left is the Government of Canada logo. The top right has a 'Français' link. The main header is dark blue with 'CARM Client Portal' on the left and user information '601880594RM0001-Importe... (RM0001) ImporterCompany5788 (601880594)' on the right. Below the header is a light blue navigation bar with 'MENU' and links for 'Upload a document', 'Notifications', and 'Logout'. The main content area has a 'Home' link, a 'Accounts and profiles' heading, and a sub-heading 'View and make updates to your personal and business profiles'. Underneath is a 'Services and information' section with three columns: 'Personal profile' (Maintain Individual profile information and portal preferences), 'Business profile' (View information about your business including: Business information, Address(es) and Ownership), and 'List of program accounts' (A list of all the program accounts associated to your business). A fourth link, 'Program account profile', is located below the first column, with the description 'Program account profile includes your program RM number, program name and addresses.'

3. Financial information

This link will direct you to the **Financial information** landing page. From this page you will have the ability to view detailed information about your account history, statements, and invoices through the following links:

- **Transaction History** (Allows you to view a history of your transactions, review your account balance, and make payments)
- **Statement of account** (Statements that outline your transactions with the CBSA)
- **CBSA Invoices** (Invoices billed to you by the CBSA)

The screenshot shows the CARM Client Portal interface. At the top left is the Government of Canada logo. The main header is dark blue with 'CARM Client Portal' on the left and user information 'Test Importer Name (RM0001) ImporterCompany3084 (549132583)' on the right. Below the header is a light blue navigation bar with 'MENU' on the left and 'Upload a document', 'Notifications', and 'Logout' on the right. The main content area has a 'Home' link and a section titled 'Financial information' with a subtitle 'View a detailed account history, statements and invoices.' Below this is a section titled 'Services and information' with three columns: 'Transaction History' (with a description), 'Statement of account' (with a description), and 'CBSA Invoices' (with a description).

4. Payments

This link will direct you to the **Payments** landing page. From this page you will have the ability to view and make payments and payment arrangements through the following links:

- **Apply credits as payment** (Allocate your account credit to specific transactions that you wish to clear immediately)
- **Pre-authorized debit** (Allows you to set up pre-authorized deductions from your bank account on a monthly basis)

The screenshot shows the CARM Client Portal interface. At the top left is the Government of Canada logo. Help me classify

Validate my input

Selecting the **Help me classify** button within the **Duties and taxes calculator** will direct you to an embedded classification tool. This tool will allow you to input known information about your goods/products in order to receive a tariff classification number for the goods.

Help me classify

Describe Your Product

The more information you provide about your product, the better.

For best results, describe your item first, then insert a comma and add additional attributes. For example: "Peas, Frozen"

You can also search by HS code, by entering the number (or part of the number) directly into the product description field. For example: "6201.11"

Finally, chemical substances can be searched both by proper name (e.g. 'Calcium Perchlorate') and by CAS number. To search by CAS number, type 'CAS' followed by the number in the product description field. For example: "CAS 13477-36-6"

For additional hints, please consult the Help files.

2.5 Uploading documents

Including additional documents helps the CBSA with their rulings decisions. Where possible, documents that support a ruling request should always be included with the initial request. If the CBSA feels that they have insufficient information to render a decision, they may request that you provide additional information in order to proceed with your ruling request.

The screenshot displays the CARM Client Portal interface. At the top, there is a header with the Government of Canada logo and the text "The Upload a document link" pointing to the "Upload a document" link in the navigation bar. Below the header, the "Rulings" section is visible, with a callout box pointing to the "Upload a document" link in the "Actions" column of the "Rulings" list. Another callout box points to the "Upload a document" link in the "Most Requested" column. The "Recent Transactions" table is also visible, showing transaction details.

3. Requesting a new business relationship

3.1 Account types

Within the CARM Client Portal, there are two types of accounts: Individual accounts and Business accounts.

Individual account:

In order to access a business account, it is mandatory to first have an individual account. This account requires users to complete their personal profile for the user to be granted access to the CARM Client Portal.

Business account:

Accounts for businesses exist for:

- Organizations that provide services to clients – Service Provider
- Business account that has at least one program account and performs activities as a customs broker or third party.
- Client organizations such as importers
- Any business account that has delegated their authority to a service provider.

3.2 Business relationships

Business relationships are established between a service provider and its client(s). A client (e.g., importer) can delegate access to the service provider (e.g., customs broker) for them to act on their behalf and manage their account(s) within the CBSA by establishing a relationship.

Service providers must first establish a business relationship with their clients to be able to transact with the CBSA on their behalf. Only then will the service provider be able to assign its employees to the clients' accounts to carry out the activities agreed upon in their service.

Important note:

The client determines the relationship type to grant to its service provider(s).

Within the CARM Client Portal, there are two business relationship access types that can be established between a service provider and a client.

These are:

- Business management relationship
- Program management relationship

This table shows the activities and access permissions associated with the Business management relationship and Program management relationship:

Activities	Allowed or Restricted	View as Read-only or View and Edit
View business account profile (general information, ownership, addresses, business activity, settings and contacts)	Allowed	Read-only
View all Program accounts profile (general information, addresses, contacts, owners and sub-programs)	Allowed	Read-only

View financial security information	Allowed	View and Edit
View information regarding requests (e.g., Rulings) and transactions (e.g., CAD) on the client's behalf	Allowed	View and Edit
Commonly restricted actions	Allowed	Refer to below

1. **Business management relationship:** This relationship delegates access to all program accounts to the service provider, including any programs added in the future. Commonly restricted actions within a Business management relationship include the following:

- Editing the Business account or Program account information
- Viewing or editing pre-authorized debit authorizations
- Viewing collection-related notifications and payment arrangements
- Viewing or editing the client's access requests, and its employees' accesses
- Viewing or editing the client's pending business relationship requests, and its list of active business relationship

2. **Program management relationship:** This relationship delegates access to only selected program accounts to the service provider. This table shows the activities and access permissions associated with the Program management relationship:

Activities	Allowed or Restricted	View as Read-only or View and Edit
View program account profile (general information, addresses, contacts, owners and sub-programs)	Allowed	Read-only
View information regarding requests (e.g., Rulings) and transactions (e.g., CAD) on the client's behalf	Allowed	View and Edit

4. Resources

There are several resources that are available surrounding the CARM Client Portal to help support new users:

1. **Instructional videos:**

- Dedicated instructional videos for portal utilization including step-by-step videos on: Creating and linking individual and business accounts, Delegating authority, Financial information, and more.

2. **FAQ:**

- The CBSA has provided answers to frequently asked questions that clients may have regarding the portal.

3. **Onboarding guides:**

- These guides will help TCPs understand how to use the CARM Client Portal, with information on the key benefits and capabilities that the portal offers.
